Neutrons and Photons
Elevating Worldwide Science

You and world-class science? A great combination!

Do you want to experience collaboration with one of the leading synchrotrons, neutron sources or free electron lasers and do not know **where to start?**

Head over to beamtime.eu to discover opportunities such as **access support, twinning with experienced users, short-term internship and virtual training.**

The activities are funded and we will help you every step of the way.
